

Unlocking Unforgettable *cuisine*

Over the years, these have become our favorite local dining establishments, joints and dives. **Full disclosure:** We are a VERY casual, no-frills kind of family. There are no fancy restaurants on this list. There are no Michelin star awards on their walls...only Michelin tires in their parking lots. **Locations:** Each of these fine eateries (and drinkeries) is located within 10 miles, north or south, of the Paloma Penthouse. From Flagler Beach to Ponce Inlet, all are less than a 20-minute drive away. **Fine print:** Just to be safe, you might want to call ahead to confirm days and hours of operation. **In no particular order...**
